Max Ball

Full Stack Software Developer I

Recent Full Stack Software Developer graduate who is a dedicated problem-solver with reputable work ethic looking to expand professional skills.

Experience

2021 - 2022
Maravia Corporation | 602 E 45th St, Boise, ID 83714
Project Manager/Shipping Manager

- Helped facilitate the transition of the company's ERP to Oracle NetSuite by creating and following developed procedures.
- Acted as the intermediary between the company and consultants through open and consistent communication.
- Identified shipping issues and collaborated with parcel and freight companies to create work standards that increased efficiency and productivity.
- Led a shipping team and designed a positive work environment that focused on employee satisfaction.

2020 - 2021
Maravia Corporation | 602 E 45th St, Boise, ID 83714
Sales Specialist

- Assisted customers with their purchases through recommendations based on industry knowledge.
- Organized and referenced backorder logs to ensure products were ordered and inventory was accurate.
- Developed a strong customer rapport to help build custom orders using the company's ERP.

2019 - 2020
Whole Foods Market | 602 E 45th St, Boise, ID 83714
Buying Specialist

- Managed a $30,000 weekly budget for the Prepared Foods Department that was crucial to the department's sales.
- Cut costs of operations through proper ordering and production procedures.
- Developed inventory tools to ensure product availability was consistent.
- Anticipated fluctuations in sales and reflected those changes when purchasing.
